

KIRSH HELMETS AIRS ON WORLDWIDE BUSINESS with kathy ireland®

Worldwide Business with kathy ireland® featured KIRSH Helmets on episodes on Fox Business News, Bloomberg US and Bloomberg International.

Donnie DeVito, COO, and Steve Piehl, VP Corporate Strategy, were interviewed by Kathy Ireland, model and business mogul, to discuss how the KIRSH CHM-1 is more efficient at handling kinetic energy and reduces rotational acceleration.

Worldwide Business with kathy ireland® features organizations across the globe that are making significant impacts on their industry.
